Black Bomber Cheddar

Creamy & smooth extra mature Cheddar loved for its depth of flavour, made by Snowdonia Cheese Company

Perl Wen

Perl Wen is an organic soft cheese from Glyneathinog Farm, Wales by Caws Penarth. The cheese is a light yellow colour with a bloomy white rind and the soft paste has a nice lemony twang on the tongue, which it gets from the Caerphilly

Wrekin Blue

The rustic natural rind encompasses the unctuous cheese inside. Mottled with blue streaks and pockets the smoky blue piquancy has a mineral like full flavour. Made by Moyden's cheese Shropshire

Shropshire Blue

A semi-firm blue cheese described as a cross between Stilton and Cheshire, it has a natural rind and smooth texture with a sharp, strong flavour and a tangy aroma

Newport Smoked 1665

Award winning Newport cheese is oak smoked creating Newport 1665, which is named after the year of the great fire of Newport. The smooth buttery texture tastes light mellow and sweet. The whole wheel is cold smoked over oak chips at Morgan's Country Butchers and Smokery of Waters Upton resulting in a light oak smoked flavour not detracting from the mellow sweet taste of the original Newport cheese
